## WOULD YOU TAKE THE BT TRANSIT FROM WOODBINE?

The board is in the early stages of investigating ways to get BT bus service to Woodbine. There are physical limitations to having the large buses come through the neighborhood, but we would like to look into the possibility of getting the smaller, shuttle sized bus to run through at least a couple of times a day. Before we even approach BT, though, we

would like to get neighborhood input on whether we should pursue this. If you could please email me before **M a r c h 1 s t** (president@woodbinehoa.org) and let me know: If there was a BT shuttle that ran through the neighborhood at 8/8:30 am and then back at 5/5:30 pm, with a stop or 2 downtown, would you take it? If so, please let me know your thoughts/opinions about where

you think the best stops should be in Woodbine, and where you think the best stops would be for downtown. If not, at least let me know your concerns so we can make sure we investigate them before we go forward

with anything.

Thanks for your input on

Each year, 3 board members are replaced by 3 new members, leaving 6 experiences members on the Board. This rotation is designed to keep things running smoothly by transitioning new members in with old members, keeping ideas and energy fresh. Please think about how you could best serve on the Board, and volunteer at our annual meeting (September). Board members are required to attend Board meetings and participate in neighborhood events.

Questions? Contact Rachel or any Board member via email at [president@woodbinehoa.org](mailto:president@woodbinehoa.org).
